

EARLY CAREER NETWORK (ECN) Meeting

Target audience: This event has a workshop dedicated to Ph.D. students (new!) as well as a workshop dedicated to researchers and clinicians in a later stage of their early career (such as postdocs and fellows up to those having a permanent position).

Location: Gamle-Raadhus-Scene; Christiania Torv 1, Oslo

Agenda:

Start time: Wednesday 11 September 2024 – **19.30**

- **Introduction: Early Career Network**
Looking back, how are we doing, and looking forward, what are our plans for next year?
- **Topic discussion:** collaborative research
Starting with a **testimonial**, sharing insights into the benefits of teamwork in research projects, and challenges for building up and sustain international partnerships.

Followed by **workshops (in parallel)**
 - a. Collaborative research: bringing the theory to practice.
 - b. Workshop dedicated to PhD students.
- **Networking game:** meeting and interacting with your early career peers.

There will be some finger food and drinks provided during the event.

End time: The event will finish at 21.30. However, we eagerly invite you all to join us for further networking at a nearby bar.
